

## MEMBER PARTNERSHIPS

The Downtown Orangeburg Revitalization Association (DORA) has worked tirelessly since 1993 to deliver on its mission - *To encourage the development, redevelopment, and improvement of downtown areas, and to promote downtown merchants and businesses, in order to create a strong economic base for our community.*

Planning continues on a regular basis as the community looks at a variety of exciting and important projects that are designed to improve downtown Orangeburg.

In addition to being a catalyst for the creation, planning and implementation of projects that will impact our community, DORA organizes and presents a wide range of events.

Become a Member Partner today and together we can continue the growth in Downtown Orangeburg - Where it's all coming together!
